

A partner since 2003, Antonio (Tony) joined Bousfields in 1991 soon after completing a graduate degree in Urban Planning at the University of Toronto. He is both a full member of the Canadian Institute of Planners and a member of the Association of Ontario Land Economists. He has provided professional planning services in support of numerous large-scale redevelopment proposals in the Greater Toronto Area. His considerable experience has resulted in his participation as lead consultant and team captain on several high-profile development proposals. His range of experience includes high density residential and commercial proposals for many major clients.
