

Caitlin has an extensive range of experience with development proposals throughout Toronto and the GTHA. Since joining Bousfields in 2012, Caitlin has gained a diverse background in land use planning matters. She works with a range of clients to manage complex multi-disciplinary projects and resolve land use issues. She is responsible for the daily coordination of projects and liaises with clients, consultants and municipal staff to finalize deliverables and obtain planning approvals. Caitlin has experience preparing evidence for Ontario Municipal Board hearings, expropriation hearings and arbitration hearings.

Caitlin holds a Master of Science in Regional and Urban Planning Studies from the London School of Economics and Political Science, graduating with distinction. She previously earned a Bachelor and Arts and Science degree (with honours) from McMaster University, where she combined with Human Geography.
